THE VICE PRESIDENT IN EXCELLENT SPIRITS.

He Set Up in Bed and Had the News Read to Him—Knows His Fate, but is Cheerful.

PATERSON, N. J., Nov. 7.—The condition of Vice President Hobart was but little changed. Dr. Newton was asked what he thought of the chances of Mr. Hobart surviving during the week and said that it was impossible to make even an intelligent guess, as his patient was liable to die at almost any minute and might survive for several weeks, although his recovery was impossible. He spent a comfortable day yesterday and sat up in bed, propped up by pillows, for a long time. The news of the election was read to him, but he was not allowed to enter into discussion upon it. He made comments, but when he started to speak at length upon any subject his attention was at once turned to something else. He was in excellent spirits. He slept part of the time.

800 THE BOERS' LOSS.

That Many Reported Killed and Wounded at Tatham's Farm—News of the Situation.

ESTONIA, Natal, Nov. 7.—(Delayed in transmission.)—It is reported that the Boers lost 800 in killed and wounded

and captured in Thursday's battle on Tatham's farm, near Ladysmith.

LONDON, Nov. 7.—This morning's news carries public knowledge very little further than the evacuation of Ladysmith and Stormberg.

Boer men intend to end a force or go to relieve Tatham's farm, and may land men at Durban.

There may be a movement through Delagoa Bay.

A dispatch from Pietermaritzburg, dated Friday, reported that railway communication with Ladysmith was severed, the Boers having effected a lodgment at Nothera, south of Ladysmith about seven miles.

It was reported from Boer sources that the big gun with which General Cronje had hoped to demolish Mafeking is not a success.

The Morning Post heard from Mafeking, Basuto, that the Boers attempt to incite the Basutos against the British had failed.

There are renewed rumors of another engagement at Elandsfontein, with severe Boer losses.

NEW YORK, Nov. 7.—Admiral Dewey accompanied Mrs. Mildred Hazen, to whom he is engaged to be married, on a shopping tour in this city. While walking on Fifth avenue the admiral saw a little boy in charge of a nurse with an admiral's flag in his hands.

"Hello," said the admiral, "I cannot pass that flag." He should the little fellow by the hand and chatted with him for a few moments.

The admiral and Mrs. Hazen walked to the Dewey arch. Here the admiral pointed out the figures to Mrs. Hazen and explained their significance. The admiral was recognized and a crowd collected. He was saluted by a number of persons and behaved pleasantly in return to their salutations.
